

Jefferson Teen Center ~ Parent/Guardian Consent Form

The JTC is re-opening for afterschool support for 7th & 8th graders with new guidelines to best keep everyone safe. With these new guidelines and keeping district's cohort groupings protocol, we no longer have access to the 3:30pm bus for transportation but will remain to stay open. We want to make sure that you approve your child coming to the teen center with this consent form. Students will need this to be filled out and signed by you to join us for afterschool programming.
